Dear Local Business,

The Corner Brook Curling Club is a long standing staple of the greater Corner Brook region recreation landscape that has produced provincial, national and World Champions in our sport. A fun and accessible sport playable at all skill levels from beginner to competitive and any age from 5 years old to 95 years old. Curling is a thriving sport in Canada and the world.

The Corner Brook Curling Club is pleased to offer exclusive advertising and sponsorship opportunities to local businesses. This gives both members and non-members with businesses an affordable advertising opportunity for their products and services. Your company name and advertising message will reach our members, visitors to our club for functions etc., and parents of junior curlers and Little Rockers from October through April.
